CompTIA Security+ SY0-401 Authorized Cert Guide, Deluxe Edition, Third Edition, is a best-of-breed exam study guide. Best-selling author and expert instructor David L. Prowse shares preparation hints and test-taking tips, helping you identify areas of weakness and improve both your conceptual knowledge and hands-on skills. Material is presented in a concise manner, focusing on increasing your understanding and retention of exam topics.

The book presents you with an organized test preparation routine through the use of proven series elements and techniques. Chapter-ending review activities help you drill on key concepts you must know thoroughly. Practice exam questions help you assess your knowledge, and a final preparation chapter sets you on the path to passing the exam.

The companion DVD contains the powerful Pearson IT Certification Practice Test engine, complete with hundreds of exam-realistic questions. The assessment engine offers you a wealth of customization options and reporting features, laying out a complete assessment of your knowledge to help you focus your study where it is needed most. The DVD also includes video solutions and interactive exercises to the Case Studies in the book.

Well-regarded for its level of detail, assessment features, and challenging review questions and exercises, this authorized study guide helps you master the concepts and techniques that will enable you to succeed on the exam the first time.

The authorized study guide helps you master all the topics on the Security+ exam, including
