### Description:

Author and renowned designer Bunny Williams has been at the top of the interior design world for more than 40 years. Her new book invites readers to explore La Colina, Williams's lovely Caribbean retreat tucked into lush, tropical gardens by the sea. The book explores every facet of the property—from outdoor rooms and garden plantings and design to the delightful, island-living luxury of the villa's interiors, furnishings, and collections. Woven into each chapter are essays written by friends who have visited the property: Gil Schafer details the villa's architecture; Page Dickey tours the gardens; Roxana Robinson offers a peek at a weekend stay; Angus Wilkie discusses the delights of collecting; and Jane Garmey revels in the pleasures of cooking, food, and friends.

Also available from Bunny Williams: *An Affair with a House* and *Bunny Williams On Garden Style*.
