Description:

"It's a wonderful, splendid book—a book that should be read by every American, student or otherwise, who wants to understand his country, its true history, and its hope for the future."
—Howard Fast, author of *Spartacus* and *The Immigrants*

"[It] should be required reading." —Eric Foner, *New York Times Book Review*

Library Journal calls Howard Zinn's iconic *A People's History of the United States* "a brilliant and

moving history of the American people from the point of view of those...whose plight has been largely omitted from most histories." Packed with vivid details and telling quotations, Zinn's award-winning classic continues to revolutionize the way American history is taught and remembered. Frequent appearances in popular media such as *The Sopranos*, *The Simpsons*, *Good Will Hunting*, and the History Channel documentary *The People Speak* testify to Zinn's ability to bridge the generation gap with enduring insights into the birth, development, and destiny of the nation.
