## - Lady Amber's Reviews

What Sofia has with Derek feels like a sandcastle; temporary and something that the waves of life and time will soon ruin...

Since the return of Gregor Novak, the island has turned several shades darker. His hatred toward Sofia and thirst for fresh blood lead to a brutal war igniting between father and son.

Meanwhile, the hunters are gaining formidable strength and resources by the day; they know that the safety of The Shade hangs entirely on its ability to remain hidden from them.

And a sinister secret lies in wait for Sofia within the bowls of an Egyptian desert ... a secret that threatens to crush her sandcastle much sooner than she could have expected.
