Description:

Abstract Painting: The Elements of Visual Language examines and articulates a vocabulary of visual elements from which you build images, abstract or otherwise. As you examine line, shape, pattern, texture, depth, and color in detail, you become more aware of the elements that make up a painting, and better able to observe your own work without judgment and self-criticism. Generously illustrated with over 200 color images, this book will open your eyes to a whole new way of seeing

your paintings as they develop, allowing you to be more personally expressive and authentic in your artistic expression.
