Description:

Review "That's awesome! (Referring to the new GPS)."

"I like the GPS. It is extremely useful to have a place where the material is condensed and right in front of you."

"I really like that you have what exercises go with what section. Accounting is doing it, so it helps

you know what you have to do."

"I find Example Exercises very useful. Without examples homework takes longer and is much harder to complete."

"Example Exercises save me!"

About the Author Dr. Carl S. Warren is Professor Emeritus of Accounting at the University of Georgia, Athens. Dr. Warren has taught classes at the University of Georgia, University of Iowa, Michigan State University, and University of Chicago. He focused his teaching efforts on principles of accounting and auditing. Dr. Warren received his PhD from Michigan State University and his BBA and MA from the University of Iowa.
