Review

"Children of all ages will be able to relate to monarch's plight in some way. The tale will also inspire readers to not only follow their dreams, but to encourage others to do the same. One's dreams are never too bit, but with the support of friends and family, as well as with patience and determination, anyone can reach their goal. *The sky is the limit.* **This story is a true gem and one that will inspire children for years to come.**" Renee Hand (*award-winning adult and children's book author of interactive mystery series. Renee reviews for the New York Journal of Books.*)

"This book conveys a wonderful message to children. A message about patience and self-belief, and that if you have your heart set on something, and try hard enough, you will get there in the end. **It is a beautifully written book and a worthy addition to any child's bookshelf."** *Amelia E. Curzon author of Mungai and the Goa Constrictor*

From the Author

"I am a lover of nature and a retired teacher. When I wrote **AMAZING MATILDA**, I wanted my readers, not only to **learn about nature**, but to **learn from nature**. Readers and listeners will learn about Monarchs and their habitat, while they enjoy a tale filled with excitement and adventure. That's the wonder of creative writing. Matilda and her friends show children that they can reach for their dreams and make them come true." *Bette A. Stevens*
