Description:

Tarik Bush, also known as Beast, is a street enforcer with a drug dynasty in Augusta, Georgia. He is feared by most and respected by all, always seeming to run the streets with smarts and brutal force. But, he's growing tired of his way of life and decides he wants out, and although he's ready to throw in the towel, he still knows sleeping with the Drug Boss' girl is a no no. Unable to resist temptation, his actions will cause a domino effect that nearly takes out his whole crew.

Now, in order to save the people he cares for, even the love of his life, the Boss' girl, he must put his life on the line as the predator becomes the prey. Will Beast be able to walk away from the life he's created over the years or will that life be the very demise of him?
