### Description:

Have you ever dreamed of being locked in a department store at night? The endearing story of Corduroy paints a picture of the adventures that might unfold (for a teddy bear at least) in such a situation. When all the shoppers have gone home for the night, Corduroy climbs down from the shelf to look for his missing button. It's a brave new world! He accidentally gets on an elevator that he thinks *must* be a mountain and sees the furniture section that he thinks must be a palace. He tries to pull a button off the mattress, but he ends up falling off the bed and knocking over a lamp. The night watchman hears the crash, finds Corduroy, and puts him back on the shelf downstairs. The next morning, he finds that it's his lucky day! A little girl buys him with money she saved in her piggy bank and takes him home to her room. Corduroy decides that this *must* be home and that Lisa must

be his friend. Youngsters will never get tired of this toy-comes-alive tale with a happy ending, so you may also want to seek out Dan Freeman's next creation, *A Pocket for Corduroy*. (Ages 3 to 8)

**Review** A winning, completely childlike picture book in which a stuffed bear waiting hopefully in a toy department finds a home with a little black girl. Endearing, brightly colored pictures. -- *Booklist*
