Description:

Kibou-daini is a planet obsessed with cheating death. Barrayaran Imperial Auditor Miles Vorkosigan can hardly disapprove-he's been cheating death his whole life, on the theory that turnabout is fair play. But when a Kibou-daini cryocorp-an immortal company whose job it is to shepherd its all-too-mortal frozen patrons into an unknown future-attempts to expand its franchise into the Barrayaran Empire, Emperor Gregor dispatches his top troubleshooter, Miles, to check it out.

On Kibou-daini, Miles discovers generational conflict over money and resources is heating up, even as refugees displaced in time skew the meaning of "generation" past repair. Here he finds a young boy with a passion for pets and a dangerous secret, a Snow White trapped in an icy coffin who burns to rewrite her own tale, and a mysterious crone who is the very embodiment of the warning "Don't mess with the secretary." Bribery, corruption, conspiracy, kidnapping-something is rotten on Kibou-daini, and it isn't due to power outages in the Cryocombs. And Miles is in the middle-of trouble!

Lois McMaster Bujold is one of the most honored writers in the fields of science fiction and fantasy, having won five Hugo Awards and three Nebula Awards. Her second novel, *The Warrior's Apprentice*, introduced young Miles Vorkosigan, one of the most popular characters in science fiction. The mother of two, she lives in Minneapolis.
