## Description:

**About the Author** Ellen Levy-Sarnoff, writing under the name E. L. Sarnoff, has enjoyed a prolific career in the entertainment industry, creating, writing, and producing television series, including the original Power Rangers. She lives in Los Angeles with her Prince Charming-ish husband, twin princesses, and a bevy of pets. She's also a not-too-evil stepmother. When she's not writing in her PJ's, she likes to dress up and pretend she's Hollywood royalty.
