Description:

From the Back Cover "Ellie is bright, funny, and interesting. She combines a great message with an entertaining delivery. She helped inspire our group and she has my top endorsement." --Major General Steve Goldfein, USAF, Vice Director of the Joint Staff

"Commanders at all levels know that 'readiness never takes a day off.' This is certainly true for our nation's military personnel at home and abroad, and it is equally true for those heroes who remain

on the home front. These home front spouses and families need help and hope for their critical role in maintaining strong families and securing our nation's future. Ellie Kay has captured this essential need in Heroes at Home, an important tool for spouses, troops, and commanders." --Major General Bob Dees, USA (Retired), Executive Director, MilMin "Heroes at Home is very uplifting and encouraging. There is obviously a love for what our military families and the members serving in uniform do. Ellie Kay is truly an American spokesperson bent on ensuring our military members and families are thanked, loved, and know they are serving with support." --Command Chief Master Sergeant Vance M. Clarke, USAF, 52nd Fighter Wing, Spangdahlem, Germany --This text refers to an out of print or unavailable edition of this title.
