About the Author Jeff Gunhus is the author of the Middle Grade/YA series The Templar Chronicles. The first book, Jack Templar Monster Hunter, is a 2013 Book of the Year Finalist for Foreword Reviews and was written in an effort to get his reluctant reader eleven-year old son excited about reading. Jeff is also the co-CEO of a national company with over 4,000 employees and he is the author of the motivational career guides No Parachute Required (Hyperion) and The Career Series titles (Seven Guns Press). After his experience with his son, he became passionate about helping parents reach young reluctant readers and is active in child literacy issues. As a father of five, he leads an active lifestyle in Maryland with his wife Nicole...by simply trying to keep up with their kids. In rare moments of quiet, he can be found in the back of the City Dock Cafe in Annapolis working on his next novel.
