Description:

What can you learn from a mouse? When that mouse has been delighting and entertaining hundreds of millions of people for decades - it turns out there is plenty to learn. Dennis Snow's *Lessons From the Mouse* provides ten no-nonsense, practical principles that anyone, anywhere can apply. He entertains while he educates with chapters like 'What Time is the 3:00 Parade?' Is Not a Stupid Question. The mouse is very candid here - no Disney pixie dust blinds the reader. Backstage snafus, onstage errors, and occasional chaos emerge in all their drama, humor, or irony. At its heart, though, *Lessons From the Mouse* presents ten lessons that guide readers in applying excellence in their own organizations, careers, and lives. Whether being used as a tool for increased organizational effectiveness or a pocket guide for the college grad or new entrepreneur, *Lessons From the Mouse* offers timeless, straightforward advice.
