**Description:**

**About the Author** Sarah Daltry writes erotica and romance that ranges from sweet to steamy. She moves around a lot and has trouble committing to things. Lily of the Valley is her third full length novel, although she also has several story collections and two novellas available. Her other novels are Forget Me Not, the story that tells Lily's version of events, and Bitter Fruits, which will be released by Escape Publishing in December 2013. When Sarah isn't writing, she tends to waste a lot

of time checking Facebook for pictures of cats, shooting virtual zombies, and simply staring out the window.
