### Description:

In 21st-century New York City, tough-as-nails cop Eve Dallas can survive a bombing, seduce her husband, and outsmart a terrorist--all on four hours of sleep. In this latest installment of the In Death series, author J.D. Robb (a.k.a. Nora Roberts) casts our heroine against an enigmatic group of terrorists named Cassandra. With no clear motivation or demands, Cassandra feeds on the thrill of senseless killing and the calculated destruction of Eve's world.

Relying on her own brawn and brains, as well as that of her aid Peabody and her husband Roarke, Eve begins to unravel a mystery that began decades before. When the killer's threats land close to home, Eve knows she has no choice but to gamble her own life for the chance to save her city as well as her loved ones.

J.D. Robb's combinations of mystery, suspense, and romance keep the fans of this series clamoring

for more, and *Loyalty in Death* has equal amounts of each. While the passion between Eve and Roarke is as good as ever, the introduction of a new romantic element certainly turns up the heat and is a welcome twist. Though the evil-terrorist-in-NYC theme has been done before (most recently in *The Siege*), these beloved characters put up a good fight, and keep us glued to the pages. --*Nancy R.E. O'Brien* --This text refers to the edition.
