## Description:

**Dr. Seuss's wonderfully wise *Oh, the Places You'll Go!* is the perfect send-off for grads—from nursery school, high school, college, and beyond!**

From soaring to high heights and seeing great sights to being left in a Lurch on a prickly perch, Dr. Seuss addresses life's ups and downs with his trademark humorous verse and illustrations, while encouraging readers to find the success that lies within. In a starred review, *Booklist* notes, "Seuss's message is simple but never sappy: life may be a 'Great Balancing Act,' but through it all 'There's fun to be done.'" A perennial favorite and a perfect gift for anyone starting a new phase in their life!
