### Description:

#### Review Denise - Shh Mom's Reading

Ms. Alexander has become one of my favorite M/M authors; check that one of my favorite authors. Her characters are mature, well rounded and seem to find a place in my heart.

#### Pixie - Mmgoodbookreviews

I will recommend this to those that love family stories, hot men coming together and discovering love, a twist that will raise eyebrows and a very happy ending.

#### Christi Snow:

I loved this book! Everything about it was just perfection...great characters, surprises, and the story...seriously, it was so sweet and romantic and just really good reading. christi-snow.com/

*Teri - The Bitches of Eastwick Book Reviews*

Kindle Alexander has given us another great book. The characters Trent and Gage grabbed my heart and haven't let go. This isn't just a love story, it has a mystery going on that keeps you hooked.

*Brenda Wright - Twinsie Talk Book Review*

Loved this book!!! This is the second book I've read by Kindle Alexander. The first one was Texas Pride. I was hooked right from the beginning. It's an amazing love story.

*Monique ~ Sinfully Sexy Book Reviews*

This book is an excellent love story, where even the most hardened heart and disillusioned soul can find the romantic streak hidden deep within and see it blossom into something neither thought possible. I fell in love with the author, her writing and the characters... just go read it!!!

*Three Chicks*

This is my first book by Kindle Alexander and I have to say that I loved it! I am a fan of the m/m genre especially when there is a beautiful and touching story behind it.

*Swoon Worthy Book Reviews*
