Description:

Review "This book is required for all my classes. The more I use this book, the more I believe that unresolved grief is the major underlying issue in most people's lives. It is the only work of its kind that I know of that outlines the problem and provides the solution."

About the Author

John W. James and Russell Friedman have been working with grieverers for more than thirty years.

They have served as consultants to thousands of bereavement professionals and provide Grief Recovery® Seminars and Certification Programs throughout the United States and Canada. They are the founders of the Grief Recovery Institute®.
