### **Description:**

**Review** "Jackson's great gift is not to create a world of fantasy and terror, but rather to discover the existence of the grotesque in the ordinary world. The grotesque is so powerful here just because it takes off from everyday life and constantly returns there until we do not know ourselves quite where we are."

--Elizabeth Janeway

### **From the Back Cover**

"Jackson's great gift is not to create a world of fantasy and terror, but rather to discover the existence of the grotesque in the ordinary world. The grotesque is so powerful here just because it

takes off from everyday life and constantly returns there until we do not know ourselves quite where we are."

--Elizabeth Janeway
