## Description:

**Review** "...though this wasn't a light read, and was often downright heart-wrenching, it was still such a moving, immersive work that I couldn't stop reading until Ellie and Nick's story had played out. Sara Ramsey has written a deeply emotional, challenging and ultimately rewarding story that should be savored." - Bridget, The Romance Reviews

**About the Author** Sara Ramsey writes fun, feisty Regency historical romances. She won the prestigious 2009 Romance Writers of America® Golden Heart® award with her second book, *Scotsmen Prefer Blondes*. Her first book, *Heiress Without a Cause*, was a 2011 Golden Heart finalist.

Sara grew up in a small town in Iowa, and her obsession with fashion, shoes, and all things British is clearly a rebellion against her hopelessly uncool youth. She graduated from Stanford University in 2003 with a degree in Symbolic Systems (also known as cognitive science) and a minor in history. She is currently living the hip romance writer life in San Francisco, California.
