Description:

About the Author Over his long and varied career, Judson Roberts has been a police officer, federal agent, organized crime prosecutor, and private investigator. He is also a distant descendant of Rollo, also known as Rolf or Hrolf, the Viking leader who in 911 AD entered into a treaty with the King of the Western Franks and was granted the lands located around the mouth of the Seine River which eventually became known as Normandy, after the Northmen who settled there. He lives on a small farm near Eugene, Oregon, where he is currently working on the next volume in the Strongbow Saga series.
