## Description:

### From the Inside Flap

Are you overworked and overstressed? Are you doing your best but finding professional success and personal fulfillment frustratingly difficult to attain?

If it seems like you work hard but never get anywhere, maybe the problem is something within you. Maybe the limitations holding you back come from inside you, not from the outside world. Zero Limits presents a proven way to break through those self-imposed limitations to achieve more in life than you ever dreamed.

Take it from Joe Vitale. He was once homeless. Now, he's the millionaire author of numerous bestselling books, an Internet celebrity, and an in-demand online marketing guru. What happened to create all of that success? How did he make it happen? Was it hard work, divine providence, or both? The answer may surprise you. It wasn't until he discovered the ancient Hawaiian Ho'oponopono system that he finally found truly unlimited success.

Updated for modern times, Ho'oponopono is a self-help methodology that removes the mental obstacles that block your path, freeing your mind to find new and unexpected ways to get what you want out of life. It not only works, but it works wonders—both professionally and personally. It works so well in fact, that Vitale had to share it with the world, so that others could experience the fulfillment and happiness he feels every day.

Teaming up with Dr. Ihaleakala Hew Len, master teacher of modern Ho'oponopono, Vitale shows you how to attain wealth, health, peace, and happiness. Vitale and Len walk you through the system, helping you clear your mind of subconscious blocks so that destiny and desire can take over and help you get what you truly want from life. It clears out unconsciously accepted beliefs, thoughts, and memories that you don't even know are holding you back.

Imagine wiping your mind's slate clean and starting over without preconceived notions, so you can live in a world of daily wonder. Imagine if anything and everything were possible. In fact, everything is possible when you look at the world free of mental constraints. This book is a key that opens your life to a new universe of possibility and accomplishment—a universe with Zero Limits. --This text refers to an out of print or unavailable edition of this title.
