## Description:

**Review** APPLAUSE FOR JAMES PATTERSON:

"The Man Who Can't Miss." (*Time Lev Grossman* )

"Patterson boils a scene down to the single, telling detail, the element that defines a character or moves the plot along. It's what fires off the movie projector in the reader's mind." (*Michael Connelly* )

"Patterson's novels are sleek entertainment machines, the Porsches of commercial fiction, expertly engineered and lightning fast." (*Publishers Weekly* ) --This text refers to an out of print or unavailable edition of this title.

**About the Author** JAMES PATTERSON is one of the best-known and biggest-selling writers of all time. He is the author of some of the most popular series of the past decade - the Alex Cross, Women's Murder Club and Detective Michael Bennett novels - and he has written many other number one bestsellers including romance novels and stand-alone thrillers. He lives in Florida with his wife and son. James is passionate about encouraging children to read. Inspired by his own son who was a reluctant reader, he also writes a range of books specifically for young readers. James has formed a partnership with the National Literacy Trust, an independent, UK-based charity that changes lives through literacy. In 2010, he was voted Author of the Year at the Children's Choice Book Awards in New York.
